# HYPATIA

## A Mathematician for the Ages

The earliest documented female mathematician, Hypatia was also a skilled astronomer and sought after teacher. While she died over 1600 years ago, her name lives on in awards and programs aimed at encouraging women in STEM.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: [ingeniumcanada.org/womeninstem/](https://ingeniumcanada.org/womeninstem/)
