# JOYCE BOYE

## Healthy Food is Safe Food

Agriculture and Agri-Food Canada

As a research scientist, Boye's work focuses on food processing, safety and quality. Her research on pulses and soy has earned her several national and international awards.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: [ingeniumcanada.org/womeninstem/](https://ingeniumcanada.org/womeninstem/)
