# MARIE MAYNARD DALY

## A Heart for Chemistry

Ted Burrows/  
Albert Einstein College of Medicine

Maynard Daly is credited as being the first African-American woman to earn a PhD in chemistry. She helped demonstrate the link between poor diet and heart disease, and smoking's negative impact on the lungs.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: [ingeniumcanada.org/womeninstem/](https://ingeniumcanada.org/womeninstem/)
