SABRINA PASTERSKI

Soaring to New Heights

Wikipedia Commons

Encouraged by her parents to pursue her dreams, Gonzalez Pasterski built and flew her own airplane at only 16! While tirelessly promoting girls in STEM around the world, she conducts ground-breaking research in high-energy physics.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: ingeniumcanada.org/womeninstem/
