ADJI BOUSSO DIENG

Empowering the Next Generation

Adji Bouusso Dieng

By 2050, Africa will have the largest population of people under 25. To inspire, inform and educate this emerging workforce, AI scientist and educator Adji Bouusso Dieng founded The Africa I Know, which advocates for young Africans to pursue STEM education.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: ingeniumcanada.org/womeninstem/
