CARRIE DERICK

Fighting for Equality

McGill Archives (PR002664)

A determined scientist who blazed the trail for women in university, Derick refused to settle for less than her male colleagues. She became the first female Canadian professor after years of struggle, earning her colleagues' respect and recognition.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: ingeniumcanada.org/womeninstem/
