FAITH FYLES

The Art of Botany

Ingenium Collection (1987.2464)

Originally hired as the first female Canadian Department of Agriculture assistant botanist, Fyles would become the department's first botanical artist, male or female, and would go on to produce hundreds of illustrations, pairing art with science.

Ingenium is committed to encouraging and empowering women and girls in science, technology, engineering, and math. Learn more at: ingeniumcanada.org/womeninstem/
