DIZ GLITHERO

Fostering Ocean Literacy

© Ashley Bowes

An interdisciplinary educator and researcher, Glithero advocates for experiential learning that strengthens understanding, connection, and care for the ocean across generations, geographies, and disciplines. Her work includes co-developing Canada's National Ocean Literacy Strategy, the world's first.

This poster was developed as a part of a subseries in the context of the All-Atlantic Ocean Research and Innovation Alliance (AAORIA). Ingenium, Fisheries and Oceans Canada and Canadian Commission for UNESCO are committed to encouraging and empowering women and girls in science, technology, engineering, and math.
