ANNA H. ÓLAFSDÓTTIR

Pelagic Pursuit

© Charla Jean Basran

Ólafsdóttir's research focuses on the biology and ecology of the subarctic Atlantic Ocean's resources in the open ocean (pelagic waters) around Iceland. Her research involves collaboration with various partners, from social scientists to stakeholders in the fisheries.

This poster was developed as a part of a subseries in the context of the All-Atlantic Ocean Research and Innovation Alliance (AAORIA). Ingenium, Fisheries and Oceans Canada and Canadian Commission for UNESCO are committed to encouraging and empowering women and girls in science, technology, engineering, and math.
