DAWN WRIGHT

First to the Bottom

© Kate Wawatai, Caladan Oceanic

Among many firsts, American oceanographer Wright was the first Black person to dive to the deepest point on Earth. Her career has been spent mapping, analyzing and preserving ocean ecosystems around the world.

This poster was developed as a part of a subseries in the context of the All-Atlantic Ocean Research and Innovation Alliance (AAORIA). Ingenium, Fisheries and Oceans Canada and Canadian Commission for UNESCO are committed to encouraging and empowering women and girls in science, technology, engineering, and math.
